The Glasgow
Autumn Lung
Symposium

'Respiratory Medicine
beyond the Guidelines'
including the Burns Lecture

Thursday 7th October 2010

This year's Autumn Lung Conference takes us beyond the guidelines of respiratory disease. We welcome experts from a wide variety of fields to discuss the management of common pulmonary diseases when they reach uncommon levels of severity. We are delighted to invite delegates to a meet the professor session with a pulmonary expert from the only dedicated vasculitis centre in the UK. Trainees will find the symposium rewarding whilst established consultants will find answers to difficult clinical problems.

Registration Form
